**Additional work on files as needed: \$20.00 minimum / \$80.00 per hour
Microsoft program handling fee: \$10.00 or \$20.00 per file (depending on complexity)**

Images on 12" film or RC longer than 18" is an additional \$1.00 per inch.

Images on 18" film longer than 24" is an additional \$1.50 per inch.

Ask about our "Plate-ready" punched film options.

Electronic Stripping

Imposition (electronic stripping) includes creating paginated printer spreads of multi-page files, Step & Repeat, Work & Turn, and custom layouts from completed files.

Our "punched film" option gives the printer film which requires no traditional stripping and is ready to burn plates. There are important details we need to know in order to punch film to your specs.

Impose document: \$20.00 minimum / \$80.00 per hour

A diagram must accompany a work order for imposition specifications.
